# What is GRC OR GFRC ?

- GRC is Glass Reinforced Concrete or we can say Glass Fibre Reinforced Concrete.
- Broadly the formulation of GRC product is a mixture of 40% White cement, 40% Fine aggregates ( Silica sand), 3.5 to 4% AR Glass fibre, 0.4% Plasticizers & 11.5 to 14% Water.
- These environment friendly composites with its low consumption of energy are being used to manufacture great variety of products.
